Editorial COMMUNITY CHRISTMAS TREE

Continuing the practice of past years, the business men of Stirling will again hold a Community Christmas Tree this year and invite Santa Claus to be present and give each child a favour. To the hundreds of school children in Stirling and surrounding community, and to those who are too young to attend school, the announcement that Old St. Nicholas has again consented to make Stirling a point of call will be most welcome news to all concerned.

At a meeting of the business men called by the Stirling Chamber of Commerce last week in the Council Chambers, it was definitely decided to hold this annual event on Saturday, December 12th. As usual, Santa will meet all his little friends in the centre of the Village where treats of candy will be handed out.

The holding of this event each year by the business men is a splendid gesture of good will to the community within a radius of several miles from the Village, and there is no doubt but that it is greatly appreciated by the children and their parents.

Rotary Notes

President Jack was indeed happy to welcome two new members to our Rotary Club. Past President Bob Hutton explained the workings of Rotary and made the presentation of lapel pins and literature to Bill Hodgson and Rudy Klompaker, as he welcomed them to our Club.

We were happy to welcome visiting Rotarian Walter Elliott of the Belleville Club.

There was no speaker and the time was spent in business discussion and plans for the Bingo on December 8th. Birthday greetings were expressed in song to our Treasurer, Rotarian Clare.

Some of the Rotary Anns have discovered who the Press Scribe is, for they asked me to say in this column that they really enjoyed being our guests at the last meeting. And we enjoyed having them.

In the absence of pianist Dr. Pete, Rotarian Stew tooted the melodious while Graham, who pinch hit for our song leader, Don — just tooted and rooted. It was a root'n'-toot'n' good sing song.

A Letter To The Editor

Dear Sir:

On Sunday last, Doug Patterson of the Ontario Minor Hockey Association called the annual meeting of Minor Hockey organizations of teams in this area for the purpose of drawing up leagues and schedules for the various classifications. Fee Wee, Bantam, Midget and Juvenile — for the coming hockey season.

It is always very important that each team have representation at this meeting in order that its schedule of home games may be drawn up on dates and times that are favourable to the team and also to the available dates and times of the arena concerned.

At this meeting the Stirling Legion Pee Wee team was represented by the writer.

It was unfortunate that the Stirling Minor Hockey Association did not see fit to have any representation present to look after the Bantam, Midget and Juvenile teams — the very teams they represent or are supposed to represent.

This fact is indeed even more appalling when so many people in the Village and adjoining township are working so diligently in an effort to have artificial ice installed in our local arena and thereby provide better ice facilities for hockey in particular.

It was very fortunate that interested fellows like Bob Green, Ray Shortt and Bob Anderson were present and pitched in to assist in the scheduling of the Bantam, Midget and Juvenile games.

To those men I say — "Many thanks".

To the Stirling Minor Hockey Association, I have nothing to say, because it would appear that such an organization exists in name only.

Bert Bastedo,
Interested in Minor Hockey.

Cheesemakers End Meeting With A Banquet and Dance

A banquet and dance at the Club Canara Thursday night wound up the 37th annual Central Ontario Cheesemakers' Convention and British Empire Dairy Show.

Prize money and trophies won at the big dairy show were handed out to successful cheesemakers and Miss Elizabeth Crawford, 1964 Ontario Dairy Princess, was introduced to the banquet guests. Jack M. Bain, director of dairy products for the Ontario Department of Agriculture, was banquet chairman.

Cheese show officials termed the British Empire Dairy Show held in conjunction with the annual cheesemakers' convention to have been very successful. The show was highlighted by a display of old cheese factory equipment, marking the centennial year of cheesemaking in Ontario.

Ivan Sine, of Eldorado, was named the new president of the cheesemakers' association, succeeding Harold Elliott, of Foxboro. Don Deline, of Ivanhoe is the new vice-president.

Directors named are: Claude Reid, of Harold; Ivan Sine, Eldorado; Harold Kingston, Harrowsmith; Don Deline, Ivanhoe; Douglas Reid, Concession, Orville Ray, Tweed; Don Pollock, Stirling, and Glen Anderson, of Campbellford.

Bethel United Church Observes 90th Anniversary

Bethel United Church on the Rawdon charge observed their 90th anniversary on Sunday, November 15th, with many guests from other points in attendance. Bouquets of chrysanthemums were used for special decoration.

Rev. Robert O. Reid, of Foxboro, was guest minister at both services. His morning message was centred on "Spiritual Callouses", and in the evening he chose for his theme, "A Saint for Our Times". In the evening the pastor, Rev. W. G. Fletcher, assisted with the service.

Mrs. Harold Elliott provided appropriate piano music at both services. In the morning the church choir rendered an anthem and Miss Donald Heath contributed a vocal solo.

In the evening the Stirling-Rawdon District High School choir, under the direction of supervisor Philip Fairman, director Donald Armstrong, and accompanist, Miss Anne Watson, contributed a special selection and Miss Mary Dracup rendered a vocal solo.

The ushers were Messrs William Heath and Donald Hetah. The visitors included the guest minister's mother, Mrs. Bryson Reid, and his uncle, Mr. Clarence Reid, of Ivanhoe.

Carling Cup Competition

In the Carling Cup bowling at Paradise Lanes at Brighton on November 29th, Stirling bowlers' results were: Ralph Sca, 292, 180, 203 (675); Tom Kovack, 253, 215, 202 (673); Doug Sca 208, 193, 228 (629); Bill David 183, 184, 251 (618).

Wellman's W.I.

The monthly meeting of the Wellman's W.I. was held on Wednesday evening, November 18 with twelve members, ten visitors and one child in attendance. The President opened the meeting with the Institute Ode, followed by all repeating the Lord's Prayer. She extended a special welcome to all the visitors and invited them to attend anytime.

The roll call, "Washing Hints for Special Clothes" brought several interesting and informative answers. The minutes of the last meeting were read by the secretary, approved and signed. She also read the correspondence. Mrs. Gerald Russett paid to the Birthday Box and "Happy Birthday" was sung. The Pennies for Friendship jar was passed. The Current Events were given by Mrs. Keith Clancy. The motto, "A stitch in time saves nine", was well prepared and given by Mrs. Lindsay Pollock.

Mrs. Gerald Clancy favoured with a piano solo. Mrs. James Pollock introduced the guest speaker, Mrs. Don Pollock, whose topic was knitting. She first gave a brief history of knitting, and then displayed some of the articles she had made on her knitting machine. After these lovely

things had been viewed, she demonstrated on her machine and showed patterns. Mrs. Doug. Clancy thanked Mrs. Pollock and presented her with a small gift.

Mrs. Ken Tompkins conducted a musical contest and Mrs. John Car-

Hate a card game. The president thanked the hostess and all who had taken part, and closed the meeting with the Institute Creed, followed by all singing the Queen.

The hostess and her assistants served a delightful lunch and all enjoyed a social half hour.

Bethel UCW

In spite of inclement weather, a goodly number of Bethel U.C.W. members and visitors gathered at the home of Mrs. James Barron for their November meeting.

After a cordial welcome to all, the president, Mrs. D. Heath, opened the meeting with a poem and the hymn "Happy The Home When God Is There" was sung. Psalm 102 was read responsively, followed by the meditation and prayer by Mrs. J. Mulheron.

Mrs. F. Reid voiced thanks for the kindness shown her by all the Bethel ladies during her recent illness.

The next meeting will be held two weeks earlier on December 3rd, at 2 p.m., at the home of Mrs. W. Heath. Mrs. Mulheron will present the study chapter and the roll call will be an-

swered with each member's favourite Christmas Carol.

The program consisted of a reading by Mrs. J. McEathron, "The Temple Gates," Mrs. Laycock read an article from the Observer, entitled "Girls Should So Become Ministers", written by Miss Lynne Adams, a granddaughter of Mrs. H. Heath. Miss Adams is a candidate for a United Church ministry.

Mrs. Hoover presented the fifth chapter of the Study Book, "We Human Beings." Rev. W. G. Fletcher conducted the election of officers as follows:

Past President, Mrs. T. Laycock; President, Mrs. D. Heath; 1st Vice-President, Mrs. S. Hoover; 2nd Vice-President, Mrs. E. McKeown; Secretary, Mrs. W. Heath; Treasurer, Mrs. L. Laycock; Press Sec., Mrs. W. G. Fletcher; Pianist, Mrs. H. Elliott;

St. Paul's UCW Unit Three

Unit 3 of St. Paul's U.C.W. met on October 20th at the home of Mrs. George Loshaw. The meeting was opened by the Unit Leader, Mrs. Gilbert Finkle, and the Devotional period was led by Mrs. Bert Jones. The hymn, "All People That on Earth Do Dwell," was sung, and the Scripture Lesson was read by Miss Jessie Johnston. The offering was gathered and dedicated, and Mrs. Jones gave the Meditation on the theme, "Thanksgiving." We, as Christian people living in a beautiful land, seem to be blessed with special favours. Therefore, we have a special responsibility to commit ourselves to service and sacrifice and use the gifts showered upon us for the good of all people less fortunate than ourselves.

The Stewardship message was read by Mrs. Blake Faulkner. We must all use the talents God has entrusted to us, or they will decay with disuse.

Bible Study was introduced, based on Chapter 2 and 3 of "God and His Purpose." Detailed Study in small groups followed, and concluded with everyone sharing their comments on the passages in question. This study closed with prayer.

The business session was conducted by Mrs. Finkle and a social hour followed. The hostess, Mrs. Loshaw, the programme and lunch committees, were thanked by Mrs. Grant Richardson.

On November 17th, a meeting was held at the home of Mrs. D. M. Armstrong. Mrs. Finkle opened the meeting with prayer, and a short business session followed.

The devotional period was led by Mrs. Grant Stapley, on the theme, "Advent." The Scripture lesson was read by Mrs. Ron Williams, and the Meditation reminded the members that Advent has a two-fold significance. God sent His Son to earth for our redemption, and the Church de-

clares her faith in His Second Coming. We should accept God in Christ, His humanity and also His divinity. A work period on bazaar projects was followed by a social time, and Mrs. D. Patterson thanked the hostess, Mrs. Armstrong, the programme and lunch committees on behalf of all present.

Bank of Montreal Releases Annual Financial Report

New records in almost every phase of the Bank of Montreal's local, national and international operations are reported in the bank's 147th annual statement. The figures were provided here by Leslie Rawlings, manager of the Stirling branch.

He said that at the October 31 year-end, B of M assets had risen by \$393 million to a record \$4,668 million. At the same time, loans to individuals, businesses and municipalities totalled \$2,729 million.

Total deposits were at a new high of \$4,340 million, including Canadians' personal savings of \$2,030 million. The savings figure showed an increase of \$92.5 million in the year, passing the \$2 billion mark for the first time.

Earnings Up
The bank's net earnings, on operations of 960 offices at home and abroad also reached a new record at \$17,854,883, the manager reported. The figure is \$1,107,855 more than in 1963. Provision for taxes is \$13,211,471.

The total loan figure of \$2,729 million includes an increase of \$317 million in the key category "commercial and other loans". N.H.A. mortgage loans and call loans were \$211 million and \$267 million, respectively.

The bank's more than 23,000 shareholders are receiving dividends of \$2.20 per share, or a total of \$13,365,000. This is five cents a share more than in 1963.

The manager said that "quick" assets amounted to \$2,031 million.

Lindsay, which began as a milling centre on the Scugog River, is now the County seat of Victoria and its largest town.

A SPECIAL MESSAGE TO CUSTOMERS OF THE B OF M

Every dollar you
saved went right
to work in 1964

Leslie Rawlings, Manager
Stirling Branch
Bank of Montreal

As Manager of your local branch of the Bank of Montreal, I would like to report to you briefly about the use we made of the savings dollars which you placed in our keeping in 1964.

Let me say that our country's economy got 100 cents of effort from every savings dollar entrusted to us in the past year. A large portion went to assist people in financing things that meant an improved way of life for them... such things as cars, home improvements, household appliances of all kinds. Another very substantial proportion of your savings dollar was lent to small, medium and large business enterprises, encouraging them to expand and to employ more people.

The personal savings of all our customers this year amounted to very nearly one-half of the total deposits of \$4,340,434,848 at the Bank's year-end on October 31st, 1964. This figure is the highest in all our 147 years of banking and allowed us to bring our loans to a record high of \$2,728,862,030.

Another \$874,466,266 was invested in high-grade government bonds which have a ready market, plus \$268,181,390 in other securities—mainly short-term credits to industry.

What else did your hard working dollars do in 1964? Well, they breathed new vitality into virtually every community across our nation. They financed new industry and created new jobs... helped farmers improve both their farms and their way of living... constructed new schools and helped students get a better education... built new roads and highways... supported community projects, large and small, of many kinds.

Yes, your savings dollars worked hard in 1964 — and hardest of all for you. For, steadily accumulating at interest, they are a sound investment in a better future for yourself and your family.

On behalf of the Bank of Montreal, may I say "thank you" for your confidence in "My Bank" and for the opportunity you are giving us to work with you in building a more prosperous Canada.

River Valley 4-H Club

The River Valley Vallettes held their last regular meeting on Satur-
day, November 28th at the home of
Mrs. Roy Irvin. This was a very
special meeting because the girls en-
tertained their mothers for supper.
Two girls, who were members of the
Club last year, were also present.

The first part of the afternoon was
spent in preparing the food. Then
the meeting opened with the Pledge,
roll call and the minutes read by
Connie Tucker. A business discus-
sion followed and plans were made
for Achievement Day. Judy Bush
was elected to be commentator and
Shirley Anne McDowell to make the
poster. It was decided to have a
work meeting on December 30th
when the record books are to be com-
pleted and handed in.

When the mothers arrived, supper
was served by the girls. The table
was set with white linen cloth and all
necessary silverware for the full-
course meal. Mrs. Brooks and Mrs.
Irvin were joint hostesses.

A social time followed and Mrs.
Jack Donohoe expressed the thanks
of the mothers to the girls and their
leaders.

Chatterton W.I.

The historical meeting of Chatter-
ton W.I. was held at the home of
Mrs. C. Gardner, with a good attend-
ance.

The president opened the meeting
in the usual manner, followed by the
reading of minutes and a roll call.
"Bring a picture or written article
suitable for the Tweedsmuir History",
which brought a good response.

Included in the business part of the
meeting was a letter offering the
group a fund raising project in sell-
ing commemorative spoons, which
was voted down; a letter from Dept.
of Agriculture, offering books and
pamphlets free of charge to any W.I.
member wishing to do so; a Christ-
mas gift sent to the adopted child.

Mrs. Gerald Irvine arranged a very
informative and exciting programme
which included a parade of costumes
of earlier years. Among this display
was a wedding dress of Royal Blue
velvet with a high neck insertion of
white, attached to hold the shape and
fully lined; a costume of very gay
colour with a very full skirt set with
hoops and bonnet and button-up
boots to match. Other articles were
nightgowns, capes, lace blouses, ap-
rons, hats, etc.

To add to the lustre of the cost-
umes, a few articles were on display
— a charcoal iron, dated around
1806; a memorial ring of gold with
plated hair, surrounded by pearls,
this dated around 1806; an old family
Bible printed in 1652; a pair of
spoons, believed to be 300 years old.
These were made of pewter which
had been poured into clay moulds.
Also on display were the last writ-
ing of Dr. Chase, with all the recipes
and remedies for human and animal
ailments; and dolls, pictures, etc.

Pictures were taken of the costum-
ed ladies and the display of articles.
Following the singing of some old
favourites, Nicky Gardner sang sev-
eral number and Mrs. MacInnes read,
"Dying Embers". Mrs. Irvine read
"Canning and Preserving in 1899".
With today's housewife having all of
today's labour-saving devices and
fool-proof recipes, it is a far cry from
the old days of 1899. "Mrs. 1899"
stewed giblets in cream, made pan-
cakes with 8 eggs and 1 pint of
cream. Our forefathers ate well, but
probably needed to.

They cooked on a black iron
cook stove which needed constant re-

fueling. During the canning season
it was a rather warm task. When
canning fruit (which had to be pick-
ed on a nice, sunny day) the first
process was to get the sugar ready.
To clarify, one put 6 pounds of sugar
in a preserving pan and covered it
with 5 pints of water (spring water).
The white of one egg was beaten in
1 pint of water and added to the
above. It was let boil rapidly and
then strained several times through a

napkin.

The fresh fruit, already cleaned or
topped and tailed, as the case might
be, was put in sterile bottles, a piece
of bladder tied around the neck of
the jars, and placed in a cooking
kettle. Straw was packed around the
jars to prevent breakage and then
they were boiled for three-quarters
of an hour and removed from fire and
let cool.

Today's housewife has it compara-

tively easy, when she can go to the
corner store for her jar of jam or
tin of peaches.

Several contests were much enjoy-
ed and the meeting closed with the
singing of Grace. A delicious lunch
was served by the hostess and her
assistants, which rounded out a most
interesting evening.

The next meeting will be held at
the Church Hall with Mrs. Douglas
Prest as hostess.

LEGION NOTES

The Annual General Meeting of Branch No. 228 was held in the Legion Hall on Tuesday evening with a good attendance of Branch members. The main business of the meeting was the election of officers and executive for 1965.

Comrade Bill McMullen will be the new Branch President, and all comrades join in wishing Bill the very best as he assumes his new and important duties. We feel sure that Comrade Bill will receive the support and co-operation of all members.

The results of the balloting are as follows:

President —

President — Bill McMullen
1st Vice-Pres. — Elwood Wilson
2nd Vice-Pres. — Bill Heasman
Treasurer — George Noble
Secretary — Bert Bastedo
Sgt.-at-Arms — Blake Faulkner
(assisted by Bruce Glendinning and Gilbert Finkle)
Padres — Rev. F. Downing and Rev. J. F. McGarvey
Service Officer — Ray Tanner
Branch Executive — Ernie Boyd,
Gil Finkle, M. Armstrong, Wieg-
er de Jong, Fred Houchin.

Retiring President Allan Lawes thanked all members for their support during his term of office and, in return, Comrade Bill McMullen expressed the sincere appreciation of the members to Comrade Lawes for his work during the two years he served as President.

With the close of another year, the Legion reminds all veterans that their 1965 dues may be paid. Dues are \$6.00 per year, and all members are urged to attend to this duty as soon as possible.

A special Executive meeting is called for Tuesday, December 15th, at 8.30 p.m. in the Legion Hall. All Executive members are asked to attend.

Stones used to beat other stones into shape are assumed to have been the first tools used by primitive man.

FIRE SAFETY

AT CHRISTMAS
 Again it is our duty to remind the people of Stirling of the additional fire hazards in our homes during the Christmas season. As you know, it is the time of the year when fire occurrences are at their highest.

Important things to remember are:

- Keep the tree away from all sources of heat, such as radiators, fireplaces and TV sets; set it up away from windows and doors so that it would not obstruct an exit from the room in the event of an emergency and never go to bed leaving the Christmas tree lights burning. Always use fire-proof ornaments. A spark is all that is necessary to set a Christmas tree

blazing furiously and reduce it to charred wood within 18 seconds.

The time of greatest danger comes when Christmas gift wrappings are strewn about on the floor and could easily be ignited by a carelessly used match, lighter or cigarette. These wrappings should be disposed of in a safe place immediately after presents have been opened. Remember — keep matches and lighters from the reach of small hands.

Your observance of these holiday fire safety rules might spell the difference between a tragedy and a happy, fire-free Christmas.

Let us make this a Merry Christmas for you and the Stirling Fire Department.

Graham Mouck,
 Fire Chief

DO YOUR CHRISTMAS SHOPPING HERE

You will be repaid if you do your shopping in Stirling this Christmas. Local merchants have gone to considerable expense and trouble to stock their shelves with a fine assortment of Christmas and seasonal goods which compare favourably with those that can be purchased anywhere else. This is something that the citizens of Stirling and community should stop and think over.

Whether it's a radio, television, an electric razor, a piece of furniture, electric stove, refrigerator, wearing apparel, jewellery, candies, toys, tobaccos, washing machines, automobiles, automobile accessories, or groceries, they can be obtained in Stirling, at prices that cannot be bettered elsewhere. What more can any purchaser ask for?

Of course, there are those who make a practice of buying practically everything out-of-town on the excuse that the local merchants cannot supply their wants, or charge too much, or some other excuse. This is an erroneous idea. Most of these people have simply acquired the habit of buying out-of-town and never give the merchants a chance to subscribe to their wants. It is true that local merchants have not as large a range of goods on their shelves as stores in larger centres, but we venture the opinion that there is not a merchant in Stirling but would gladly order anything a customer wants.

However, there are two sides to this question of loyalty to your home town. Merchants who expect the citizens of this district to trade with them, should in return buy their needs from their neighbour in business, rather than patronize stores of some large centre. Buyers cannot be blamed for failing to patronize merchants who deal out-of-town when they require merchandise. This is something for the business people to consider.

So before doing your Christmas Shopping elsewhere, pay a visit to your local stores. You will be surprised at the range of choices offered and the reasonable prices. Unless local citizens buy their needs in Stirling stores, the local merchants cannot prosper, and if they do not prosper, what is to become of our Village? The business men are the backbone of any community. Without them there would not be sufficient revenue to operate the public utilities, no one to offer employment to the local workmen, or to support the many other community enterprises, schools, churches, etc.

Your patronage will be appreciated by the business men, and in addition you will be helping the entire community.

Wellman's UCW

Mrs. Jim Pollock was hostess to the ladies of Wellman's United Church on Tuesday, December 1st, for their annual pot luck dinner and meeting. At about 12:30 everyone sat down to a bounteous meal of appetizing delicacies. The guests were seated at card tables with white cloths and candle centerpieces adding to the picturesque of the festivity. At 2 o'clock, Mrs. Omar Dracup, president, called the gathering to order and gave a portion of the 2nd Chapter of Luke for the introductory. All joined in singing the hymn, "While Shepherds Watched Their Flocks", and Mrs. Dracup offered prayer.

Mrs. John Carlisle conducted the Worship Service. It was in the nature of a Candlelight Service. Mrs. Carlisle took the part of the leader, offering prayer, then Mrs. Ken Tompkins sang a verse of prayer. Mrs. Byron Seeley and Mrs. Keith Clancy gave reading parts followed respec-

tively with the hymns, "O Little Town of Bethlehem" and "We Would See Jesus". Mrs. Gerald Russett with her daughter, Julie, read the part pertaining to a child. Mrs. Burton White, to a teenager; Mrs. Craig Watson, with her son, Jimmie, to a mother; Mrs. Douglas Clancy, to a business woman; Mrs. Omar Dracup, to a teacher. After each of three ladies read, a candle was lit and placed on the table. Mrs. Tompkins read a poem, "Joy to the World" and Mrs. Carlisle offered prayer. Mrs. Robert Wallace and Mrs. Chas. Dunham, life members, blew out the candles.

The minutes read by the secretary, Mrs. Ken Tompkins, were approved. The correspondence was read. A committee was appointed in charge of the sale at Hoard's on December 25th.

The roll call, a Bible verse pertaining to Christmas, was answered by 16 members. There were 7 children in attendance.

Mrs. Frederick Beckett conducted

the program portion of the meeting. A reading was given by Mrs. Bryon Seeley, "The Spirit of Christmas — Others". Mrs. Gerald Russett and Mrs. Jim Pollock gave a vocal duet. Mrs. Alfred Atkins gave readings, "A Poet's Salute to Christmas" and "Remember Humble Birth". Mrs. Craig Watson and Mrs. Gerald Clancy played a piano duet consisting of "Santa Claus Is Coming to Town" and a melody of Christmas Carols. Mrs. Burton White gave a reading, "This Was Christmas". Mrs. Ken Tompkins sang, "The Birthday of a King" and Mrs. Douglas Clancy gave a reading, "Full Basket".

Mrs. Dracup thanked the hostess and all having a part or assisting with proceedings of the meeting.

St. Paul's UCW General Meeting

The general meeting of St. Paul's United Church Women was held in the Church parlours on Tuesday evening, December 1st.

Mrs. Good, President, opened the meeting with a few remarks and conducted the business period. Ladies were urged to attend the St. Andrew's Ladies' Dessert Luncheon. Reports were heard from the various committees. Forty-nine calls were made during the previous month, on sick and shut-in and newcomers. It was decided to hold Open House and Shower at the Manse on Saturday, January 9th from 2 to 4 p.m. Admission will be a gift for the pantry shelf at the Manse. The next meeting will be held on January 6th.

The combined Devotional Service and Program was in charge of Unit 4. A Christmas programme entitled, "A Christmas Crusade" was presented. The Christmas story was told in unison by Mrs. Volney Richardson and Mrs. Harold Wells, interspersed with a choir and carol singing. The carols sung during the story were: "O Little Town of Bethlehem", "Angels from the Realms of Glory", "Silent Night", "The First Nowell", and "Joy to the World". A very impressive service followed the story when candles were lighted representing:

1. Humble toilers who will bring talents and give of their time unstintingly in His service; 2. Men of learning and wisdom who show their fruits of learning by better understanding and peace established in a world of better brotherhood; 3. Little ones, who do their little duties to God with hearts that love and obey His will; 4. Youth, who offer their lives and service to Him; 5. Gift of service, as in leaders of youth, officers in church and church school; 6. Gift of self — Are we ready to walk with Him and have a life of love and happiness. Here, Mrs. Harry Waite favoured with the solo, "Take My Life and Let It Be"; 7. A candle was lit, representing a light of service, this being the contribution of all who serve, our way to honour our Lord. Mrs. Harry Philp and Mrs. Cecil Macklin sang a very fitting duet, "O Master, Let Me Walk With Thee"; 8. The candle for substance was lit. Wise Men gave their gifts. We can help the sick, feed the hungry. These gifts are our treasures to Him. The offering was taken at this point, and another candle lit.

The program closed with the singing of "O Come to My Heart, Lord Jesus", after which a very tasteful lunch was enjoyed. Mrs. Roy Tucker expressed thanks to all who had helped make this Christmas meeting so meaningful to all.

500 People Attend Award's Night

On Friday evening, November 27th, five hundred parents, friends and 4-H members filled the gymnasium of the Centre Hastings Secondary School, Madoc, at the Annual Hastings County 4-H Awards' Night. This is the one time in the year when 4-H members receive their prize money for projects completed and special awards are presented by their donors to the members for outstanding achievements at County events during the year.

The program started with Dr. Geo. C. Fisher, D.V.M., of the Quaker Oats Company, Peterborough, addressing the gathering. Dr. Fisher, a fluent speaker, had a challenging message for all present. He pointed out the changes which are occurring in agriculture and also, the changes in culture and also, the changes in the can expect in the next decade. He gave his audience a complete picture of the World's Fair in respect to agriculture as it will appear in Montreal in 1967.

Mr. Calvin White, of Detlor, President of the Hastings County 4-H Club Leaders' Association, chaired the evening's program. Representing the Department of Agriculture were D. W. Tipper, Agricultural Representative and Lyall MacLachlan, Assistant Agricultural Representative and Miss Janet Munroe, Home Economist for Hastings and Lennox and Addington Counties.

Each of the twenty-six clubs was preceded on to the stage by their club leader, at which time members received their prize money, followed by the presentation of special club awards. Ten of the twenty-six clubs ended their year's work with 100 per cent completion and the overall completion for agricultural projects in the County this year was over 90 per cent.

Project Certificates
Project certificates will be given to members who have completed six, twelve and eighteen projects, with 75 per cent proficiency or over, during their participation in 4-H work. Those receiving a certificate for completing six courses are: Christine Brown, Foxboro, R.R. 1; John Churcher, Bancroft, R.R. 1; Paul Doyle, Marmora, R.R. 2; Edward Hoover, Detlor, R.R. 1; Jack Howard, Madoc, R.R. 4; Harry Huffman, Corbyville, R.R. 1; Murray Lockwood, Actinolite; Roy Mumby, Moira; Kenneth McConnell, Stirling, R.R. 3; Lindsay Neal, Madoc, R.R. 3; Ted Reid, Campbellford; R.R. 2; Grant Reid, Stirling, R.R. 4; Norman Stein, Crookston, R.R. 2; Gordon Striker, Belleville, R.R. 2; Bruce Swan, Corbyville, R.R. 1; Larry Thompson, Moira, R.R. 1; Percy Trevorton, Plainfield, R.R. 1; James Wallbridge, Belleville, R.R. 3; William White, Detlor, R.R. 1; and Edward Wilson, Bonarlaw, R.R. 2; for completing twelve projects: Brian Bertrand, Marmora, R.R. 1; Lynda Gunning, Tweed, R.R. 1; Grant Hagerman, Harold, R.R. 1; Gary McComb, Bonarlaw, R.R. 1; Allan Thompson, Moira, and Clare Trevelyan, Plainfield; for completing eighteen projects: Calvin Sharp, Stirling, R.R. 3; and Robert Hamilton, Trenton, R.R. 5. David Foley, Madoc, R.R. 1, has completed twenty-five projects with 75 per cent or over, during his participation in 4-H work.

Special Awards
The outstanding club member of the year was Calvin Sharp, of Stirling, for which he received the Victoria and Grey Trust award and Beverly Burns received the Clarke Rollins silver tray as the outstanding novice 4-H member in 1964. The Imperial Bank of Commerce awards of a silver tray and Bufova watch were presented to Beverly Ketcheson, of Madoc, and Robert Hamilton, Trenton, R.R. 5, who were chosen the outstanding 4-H club girl and boy during their membership in agricultural club work. After receiving the watch, Robert Hamilton gave the valedictory address, at which time he stressed how much he had gained from his club work and thanked all who had

assisted with the 4-H program. Robert gave words of encouragement to the new members starting on the marks, all 4-H members rose to repeat with him the 4-H Pledge.

The program concluded with the singing of "O Canada", followed by the lunch, served in the cafeteria by the club leaders and their wives.

A Letter To The Editor

As Chief of Police of the Village of Stirling, I would like to submit a few suggestions for the consideration of the citizens.

1. One of my duties as a police officer is protection and safety to persons and property.

2. Christmas being just around the corner and the busiest time of the year, many persons who are unknown will endeavour to cash personal cheques and post office money orders, and some will endeavour to cash forged cheques. Should persons unknown to you wish to cash cheques, suggest they cash same at the bank. A postal money order is good anywhere, but due to the fact that a large number of money order blanks have been stolen it is suggested that they cash them at the post office as they have a record of all stolen money orders.

3. Wherever you do your Christmas shopping do not put your parcels inside of your car on the seats,

but lock them in the trunk. Should the parcels be observed on the seat of your car and you lock your doors it does not take too much effort to break the vent window and when you return to your car you might find the parcels missing. This will cause a hardship on many people.

4. It is suggested that the merchants in this community leave their cash registers open when they retire from their place of business and light the premises up as much as possible.

5. This is the time of year when many accidents, some of them fatal, occur. Should you discover when your brakes aren't going to stop your brakes by striking the brake pedal with your foot. By doing this the snow is knocked out of the treads of the vehicle's tires and at the same

time gives the tires a better grip. It is also suggested that each driver of a motor vehicle give the right of way. This will eliminate many accidents. We all know that the local undertaker is a fine fellow, so if we all do our part in safety during the holiday period the undertaker will be able to spend Christmas and New Year's with his family; also the writer is the only police officer in this community, and he will also be able to spend Christmas with his family.

6. Should anyone have the desire to use alcohol in excessive quantities please leave your vehicle parked. In closing, I wish each and every one of you a Merry Christmas and a Happy New Year.

Tourist Region No. 11 Council Meeting

A meeting of the Hastings and Land O'Lakes Tourist Region No. 11 Council was held at the Legion Hall, in Stirling, on Monday evening, with Mr. Jim Holt, President in charge of the meeting.

Mr. Holt announced that the Stirling Chamber of Commerce were sponsoring a school for business people and others interested in the Tourist Business.

Mr. McArthur, District Inspector in charge of Permits, Department of Highways, Kingston, and Mr. Williams, Regional Traffic Engineer, attended the meeting and explained to the members the reason for the charge that is made to operators for signs erected on their own property. Any sign in excess of 250 feet from where the business is being done is considered field advertising, and there is an annual fee for the permit, which can be refused if the sign is an eyesore.

Arrangements were made for signs at the intersection of No. 41 and No. 506 Highway, and the Department was asked to erect name signs of lakes on all Highways in Tourist Region No. 11. The meeting was informed that if the Municipality or Township will supply them with the names and number for Township roads that intersect the Highway, they will erect signs, giving the road name, or the Twp. and Concession.

Delegates were elected to attend the meeting of the Ontario Travel Council held in Toronto this week.

One rat's food and damage bill is \$20 per year — adding up to \$300 million in Canada.

Police Chief Issues Warning

Beware of confidence people working in this area, who prey mostly on elderly people or people who live alone, if it is suspected that there is money in the house. They may identify themselves as follows: Bank Inspectors, who work in this manner. One person approaches the owner of the house and another person will conceal himself. Number One man will then talk to the home owner in this manner: "We suspect that there is a dishonest clerk working in the Bank and we require your assistance in finding out which one it is." He will request the home owner to withdraw a large sum of money out of his or her account, and he will warn the home owner not to reveal this information to anyone, including the Bank Manager. After the home owner has withdrawn the money from the Bank Number Two person, who has been watching the procedure, will call for the money after the home owner returns from the Bank with it. After Number Two person obtains the money from you, there is a possibility that you will never see these persons or your money again.

It is suggested that if you are approached by these types of persons, notify the Bank manager, as he knows the procedure to take in order to catch a dishonest clerk and he does not need any outside help. Furthermore, he knows what to do to apprehend these culprits.

It is also known that there are confidence people who will identify themselves as Government Inspectors. They are known to operate in this manner — They will approach a home owner and they will state they have reasonable grounds to suspect that you are in possession of counterfeit money and they will demand that you produce all of the money you have in the house, in order that they can examine it. They will further state that if the money you give them for examination should be good money, then it will all be returned to you.

There are people posing as Building Inspectors who will call at your home and request to inspect your house defects. One will accompany you up to the second storey. The other one will stay downstairs and will search for valuables and money. After both return to the kitchen with the home owner, they will state what repairs are required to your home and the cost of repairing. They may suggest that you have a bad chimney

which will cost you \$200.00; a bad roof, that will cost you another \$400.00; and maybe a bad outside step that will cost you another \$100.00 or so. They will demand the money in advance as they will state if you do not pay now, action will be taken. After you pay, they will state that they will get it as soon as possible.

Should any of the above mentioned happen to you, call your local Police Department, because these confidence people are out to defraud.

Yours very truly,
C. E. HICKS, Chief Constable

Mr. Banbury reviewed farming practices down through the years, while Mr. Johnston reviewed activities of the Cheese Producers Marketing Board during the past year.

FIRE-FREE CHRISTMAS

The Christmas tree isn't the only possible fire hazard introduced to the home at this season. There are gift wrappings, paper decorations, decorative greenery, strings of lights and candles to be careful of, too.

But the Ontario Safety League points out that the Christmas tree is one combustible item that can either be made relatively safe, or allowed to become highly inflammable. It depends on choosing a fresh tree first of all, not one with needles already turning brown and dropping off. When you get the tree home, saw a fresh cut off the end of the trunk, and when setting it up, stand it in plenty of water.

If you remember to add the water every day, your tree will stay fresh and relatively flame-resistant. If you forget to add water for a day or two, the tree will become dry and brittle and highly inflammable. There are good "flame-retarding" solutions you can buy or mix yourself to spray on the tree, but they shouldn't replace the all-important water added daily to the tree stand.

Strings of lights should be checked for frayed cords and damaged sockets. New ones should bear the CSA (Canadian Standards Association) label of electrical safety. Outdoors, use only outdoor lights which are specially insulated for the purpose.

When fuses blow, it will probably be because a circuit is overloaded, and the fuse should be replaced only by a fuse of the same household size — usually 15 amperes. Using a larger fuse, or substituting a coin or foil, simply destroys the "warning system" a fuse is intended to provide. If a fuse continues to blow, call in an electrician.

When choosing a gift for a distant friend, who was a former resident of this village or surrounding district, may we remind you that a year's subscription to the News-Argus would be a most acceptable and appreciated gift.

If a man stands up for his rights, his neighbours are apt to say he is hard to get along with, but if he doesn't stand up for his rights, those same neighbours will say he lacks backbone. So what's a guy to do?

St. Paul's U.C.W. Unit Four

In St. Paul's Sunday School room, beautifully decorated in keeping with the Christmas season, Unit Four of the U.C.W. held their final meeting of the year.

This took the form of a pot-luck luncheon which preceded the regular meeting which started at 2 p.m., with Mrs. H. Wells presiding. After suitably opening the meeting, business was conducted and reports submitted. In the absence of Mrs. E. Warren, the minutes were read by Mrs. C. Davidson. Also read was the yearly report showing activities and special projects undertaken successfully. Special appreciation was voiced for those who helped with the Study Book and programs, the Supply work, and visiting; to the leader Mrs. Wells and pianist, Mrs. H. West, and all who, by their services and contributions, had helped to make the year's work for their church so worthwhile.

The Treasurer, Mrs. J. Hough, reported on finances, which were slightly lower than last year, but all donations were not yet received.

Mrs. D. Luery had been most faithful in sending cards and messages to relatives and those bereaved or ill. Mrs. M. Ayrhart reported that the

650 pounds of clothing had been recently shipped to the Fred Victor Mission. In June, bales went to Toronto for Overseas Relief Work.

Mrs. R. Hatton conducted a lovely Worship Service with candles of red dedication lighted by Mrs. Wells, leader, Mrs. Bush and Mrs. D. Luery. The life of Jesus, as told in Scripture Lesson, was read by Mrs. C. Davidson. Mrs. H. Wells, Mrs. C. Macklin, Mrs. M. Bell, Mrs. C. Lansing and Mrs. E. Eggleston.

Mrs. Hatton closed the worship with a touching Christmas story, entitled "No Room", from a sermon by Rev. J. Forgarty. This was followed by prayer.

Mrs. Ross Bush had charge of the programme, calling first on Mrs. C. H. David, for a reading on Christmas thoughts. This was followed by a solo by Mrs. H. Waite, which is always appreciated. Mrs. Bush called upon Mrs. J. Mulhern for a talk on Christmas Carols and their Origin, which was most interesting. The carol is an expression of joy and praise. Carols were first sung as far back as the 1700's, in connection with religious plays. The oldest was first in Latin, then translated into French and finally into English. An example of this is "O Come All Ye Faithful" (Adeste Fideles). The type of people who wrote the carols was varied and came from many lands. A man, in

prison at Christmastime, wrote "While Shepherds Watched Their Flocks". Another carol, "Christians Awake", was written by Byron, the poet, as a gift for his daughters who wanted a poem for Christmas. Charles Wesley was responsible for the lovely carol, "Hark, the Herald Angels Sing". "God Rest Ye Merry, Gentlemen", is a traditional English carol, very old. Jean de Brebeuf, a Jesuit Missionary with the Huron Indians, wrote and translated a Canadian carol for the Indians. This lovely carol was sung by Mrs. H. West, with Mrs. Mulhern accompanying her at the piano.

Many other carols were mentioned and their origins traced and as their story was related, the women enjoyed singing many of them. We are much indebted to many people from so many countries for the wonderful gift of songs for the Christmas season.

Mrs. Bush closed the programme with a prayer sent by Mrs. Homerson, who was on the December group and unable to join in the service. Mrs. Ray Rose voiced thanks of all present for the wonderful meeting, so enjoyable and inspirational.

CHRISTMAS SHOPPING DAYS — ONLY 6

River Valley W.I.

On Thursday, December 10th, Mrs. Roy Bush, Stirling, R.R. 4, was hostess to River Valley Women's Institute with twenty-one members, four visitors and several school children present. The rooms were decorated for the Yuletide season and added a Christmas glow to the meeting.

President Mrs. Vernon Harry was in charge. Mrs. J. R. Donohue gave a financial report of expenditures during the past month. Mrs. Ernest Carr presented the correspondence. The offer of the local Department of Agriculture for free recipe books seemed a good idea and many signed for their copies. Mrs. W. Ashby donated four decks of playing cards for euchre.

The convenors' reports gave helpful ideas — Mrs. Jack Bush, tooth decay and household noises; Mrs. Roy Bush the new display at the County Museum; and Mrs. Grace Bush, patronize your hometown merchants.

The Friendship Link secretary,

Mrs. Percy MacMullen, distributed the Jubilee diary books from Abbots Leigh, Bristol, England, to each individual member. In her report, she stated that she had shipped 84 nylon scrubbers on November 12th and gave a report of this department of work. A Christmas greeting sent from England was displayed.

For public relations, Mrs. MacMullen read excerpts from an air mail news flash written by Mrs. Graham Spry, Canada Committee of A.C.W.W. It stated that in Lebanon, the village welfare society was hostess to Arab speaking women from eight countries at a seminar on "Nutrition and Village Industries". Mrs. D. Turnbull has been chosen to work on UNESCO working parties concerned with literacy programs. The chairman of the Lady Aberdeen scholarship reported that four scholars had been successful. Rhodesia has a new series of training courses for home, and the village training project in India is progressing.

Mrs. Roy Tucker, A.C.W.W. conven-

or, read an article from the Country-woman magazine, which gave a glimpse of an Institute in South Africa where the speaker stressed the importance of department, police and self confidence. The speaker demonstrated the correct posture and said police is the art of handling the unexpected with ease and control. Mrs. Allan McDonald read an article regarding a new venture in edible containers.

Mrs. Gerald Brooks spoke briefly on her recent trip to Toronto as a club leader when she was a guest of the department of agriculture.

The January meeting will be held at the home of Mrs. Vernon Harry, and will be based on health.

Mrs. Ernest Carr was in charge of the Christmas program, and read an article stressing love, generosity and understanding. The speaker gave an informative account of Christmas customs in other lands. Other festive, however, very little as countries all over the world stress the thought of goodwill to all at Christmas.

Several carols were sung with Mrs. Philip Conley as pianist. Mrs. Glenn Brooks contributed two vocal selections.

Selections were read by Mrs. Malcolm MacMullen, Mrs. Albert Wilhelm and Mrs. Roy Tucker. Mrs. George Heusman contributed a piano solo. Christmas cheer parcels were collected and these will be distributed to shut-ins at a later date.

Thompson retired to the decorated dining room where a sit-down luncheon was served by the Citizenship and Education group. Mrs. Gerald Brooks voiced appreciative thanks to all who had assisted with the enjoyable afternoon.

Spring Brook U.C.W.

The Spring Brook United Church Women met for the Christmas meeting in the Sunday School Auditorium on Thursday afternoon.

Mrs. Murney Mason, President, welcomed the members and opened the meeting with prayer. Mrs. John McKeown conducted the worship service, using the theme, "Christmas in the Home". Mrs. Don Bateman read the Scripture and Mrs. Harry Haslett contributed a vocal solo accompanied by Mrs. Carmen Sine at the piano. A display of Christmas Cards, dating back to 1845 was shown.

The roll call, "A Christmas I remember" was well responded to. Mrs. Percy Bateman reported for the sick and visiting Committee. Mrs. Ralph Wellman reported plans made to entertain Senior Citizens in December. A motion was passed to buy a treat for the children for their Christmas party.

Each member of the executive was called upon to give their annual report.

The 1965 officers are as follows: Past President, Mrs. Ralph Wellman; President, Mrs. Murney Mason; 1st Vice-President, Mrs. Gerald McPaul; 2nd Vice-President, Mrs. Geo. Williams; Secretary, Mrs. Murney Bateman; Treasurer, Mrs. Gerald Broadworth; Organist, Mrs. Carmen Sine; Assistant Organist, Mrs. Ralph Wellman; Press Reporter, Mrs. Reg. McKeown.

Chairmen of Committees: Literature and Communications, Mrs. Jim Spry; Flowers and Fruit, Mrs. Burt McCoy; Press and Publicity, Mrs. Reg. McKeown; Community Friendship and Visitation, Mrs. Jim Rathwell; Nominations, Mrs. Kenneth Thompson; Program, Mrs. George Williams; Christian Education and Missionary Education, Mrs. Ralph Wellman; Supply and Social Assistance, Mrs. George Thompson; Social Functions, Mrs. Delbert Fleming; Membership, Mrs. Lorne Bailey.

Mrs. Percy Smith closed the meeting with prayer. Refreshments were served by the committee. Charge and a time of fellowship was enjoyed.

Two-Way Fight

For County

Warden Coming

It will be a straight two-way contest for the Hastings wardenship in 1965.

This is the indication at County Council last week as two of this year's council, Rawdon reeve Fred Beckett and Thurlow reeve, Clayton Hall, announced they will offer themselves for the position.

It will be a second try for Reeve Beckett, who this year lost out to Madoc reeve, Thomas Burnside (1964 warden) in a three-way contest.

Bethel U.C.W.

Mrs. W. Heath welcomed the Bethel U.C.W. members to her home which was beautifully decorated for their Christmas meeting.

Mrs. D. Heath opened the meeting with a poem, "What Have We Done Today", and then turned the meeting over to Mrs. W. G. Fletcher, who prepared the Worship service. The story of the First Christmas was told by various Scripture readings and Christmas carols. She was assisted by Mrs. H. Elliott, who acted as pianist. Mrs. Laycock read the meditation on the theme, "Thanks Be to God for His Unspendable Gift".

The president conducted the business in the usual manner. The gifts from the penny bags were very gratifying. It was decided to send in the remainder of the allocation and to remember the shut-ins with gifts.

The plans for the banquet were completed. The next meeting will be held on January 7th, at 2 p.m., at the home of Mrs. T. Laycock. Roll call will be responded to by presenting a tea towel.

In a very interesting and informative way, Mrs. J. Mulhern presented the 10th chapter of the Study Book, "God and His Purpose". Mrs. McKeown and the hostess served a delicious lunch and Mrs. W. Keller voiced thanks.

Stirling W.I.

The December meeting of the Stirling W.I. was held at the home of Mrs. W. C. West.

Mrs. Frank Smith presided and a Christmas Carol sing-song was enjoyed, with Mrs. David Luery at the piano.

Roll call, "What I Like About Christmas", showed a gathering of the family circle as the most meaningful custom for the holiday season.

The secretary, Mrs. L. Bronson, read the minutes and correspondence. There was also a letter with a receipt book from the local Agricultural Department, requesting names of W.I. members wishing a copy of the same. The ladies agreed that this was a very fine gesture from the Department of Agriculture. Names have since been sent in by the secretary.

Mrs. S. McMurray thanked the ladies for the lovely gift she received during her illness. Mrs. West, the Treasurer, gave a full financial report. Twenty-five dollars will be forwarded to the Stirling Memorial Arena Fund, with Mr. Pollock as acting Treasurer. Sick folks will be remembered with cards. Mrs. Lewis Rodgers, of West Hill, Ont., sent Christmas greetings to the W.I. members. The mental health contribution will be looked after by Mrs. Smith. This will go to Cobourg in-

stitution for Christmas distribution. A report was made by Mrs. D. Luery and Mrs. F. Smith for the welfare work done during December. Mrs. West and Mrs. Bronson reported on the sales of used clothing in readiness for Scott Mission.

Mrs. David Luery gave the topic, "Education", prepared by Mrs. Morley Aythart. Mrs. Smith gave a reading, "Better To Give Than To Receive" and Mrs. Earl Luery gave a reading entitled "Yuletide Customs in Other Lands". Mrs. David Luery played some piano selections.

Each member contributed to the lunch which made it a lovely Christmas menu. Mrs. Bronson voiced appreciation to the hostess and the programme Committee for the lovely afternoon.

George H. Luery Dies In Hospital

Funeral Service Held Here On Monday Afternoon — He Was In His 92nd Year

Another of the noble links which bind us with the past was broken on Friday, December 18th, 1964, when George Henry Luery died in his ninety-second year at the Belleville General Hospital.

Mr. Luery was a life-long resident of this area. He was born in Rawdon Township, a son of the late Mr. and Mrs. George Luery.

In 1900 Mr. Luery came to Stirling and built the home on John Street where he has resided since. From 1912 to 1936 he conducted a grocery and dry good business here. For thirty-seven years he was Clerk for the Village of Stirling and for a number of years was a travelling salesman.

In his death, Stirling has lost a good citizen. He was endowed with a pleasing personality. Of a kind and generous nature, he was always ready to give a helping hand to those in need and was popular and highly regarded by a host of friends. Many friends will long entertain happy memories of their associations with him.

In religion, the late Mr. Luery was a member of St. Paul's United Church where he served on the Board of Stewards for many years.

He was predeceased by his wife, the former Nettie Rosebush, in 1953. Three sisters and two brothers also predeceased him.

Surviving to mourn his loss are one son, Earl Luery, of town; four grandchildren and six great-grandchildren; also a niece, Mrs. Morley Ayhart, who resided with Mr. and Mrs. Luery previous to her marriage, and a brother, David Luery, both of Stirling.

The funeral service was held on Monday afternoon, December 21st at the Duffin Funeral Home. Rev. W. G. Fletcher officiated.

The pallbearers were Messrs. R. K. West, Clayton Tummson, R. B. Bell, Fred Bateman, Jas. Wright and Albert Fraser.

Carol Service At St. John's

On Sunday night a large congregation filled St. John's Church for their annual service of the Nine Lessons. This Carol service was first performed in King's College Chapel, Cambridge, and has in recent years become popular in Anglican Churches all over the world.

The Christmas Carols, Scripture readings, tracing the story of the incarnation from the beginning, and the candlelight processions have become a much appreciated part of Christmas at St. John's. The Christmas hymns and carols sung by the congregation and Choir, under the direction of Miss Helen Morrow.

The lessons were read by members of the Choir, Servers Guild, the congregation and the Clergy of the Community. Those reading the Lessons were: Jeffrey Mouch, Janet Murray, Mr. Fred Houch, Mr. Charles Pearce, Mr. Frank Harding, Licensed Lay Reader; the Rev. W. G. Fletcher, representing the United Church of Canada; the Rev. Father J. F. McGarvey, of St. James the Minor R.C. Church; the Rev. F. A. Crook, Honorary Assistant at St. John's, and the Rector, the Rev. F. F. Downing.

December Meeting
St. Mark's W.A.

Mrs. W. J. Barlow, president opened her home for the December meeting of St. Mark's W.A. Bonaire. The opening exercises and meditations were conducted by Mr. Stewart, the rector. They were most impressive and ended with the singing of one verse of "O Little Town of Bethlehem".

Mrs. Wm. Neal, treasurer, reported the financial results from the baseball banquet, turkey supper and bazaar, which were most satisfactory.

The Dorcas report followed. Mrs. Heath has received acknowledgement of the bales and money sent to missions. There was also a letter asking for donations for clergy in Battleford, Sask.; also an extra donation was asked for needy clergy elsewhere. The W.A. approved of these donations.

The extra-cent-a-day collection was taken and Mrs. Eggett reported having sent a goodly sum of money to the Kingston Diocesan office. Several letters were then read. One concerning the World's Day of Prayer and one was from Mrs. MacPherson, an interested Girls' Auxilliary worker and the wife of the clergyman at Maynooth. She wrote trying to solicit interest in the work.

Then followed a letter from the Diocesan Prayer Partners' secretary; also one from the social service secretary, Mrs. Uttley.

Business had to do with the purchase of extra chairs for the Sunday School rooms. Mrs. Jones made the motion and it was seconded by Mrs. Brown that twenty-five new chairs be purchased.

Mr. Cracknell is having his Christmas meeting and presenting the Cubs with their new charter. Mrs. Barlow, president of the W.A., the sponsor of the Cubs, is invited; also the parents of the Cubs. Lunch will be served and the ladies are asked to assist. Mr. Stewart, before closing the

meeting, asked for one minute of silence for the late Mrs. Wellman and he gave a special prayer. The meeting was closed with the Benediction and a short programme followed.

A very interesting letter from a missionary in Sierra Leone, in Africa was read by Mr. Stewart. She was a native of this part of the country. Her home had been in Frankford, and she was well-known in Brighton. Following this letter, Mrs. Burkitt gave a Christmas reading and Mrs. Brown also read a paper. A dainty lunch was served and a social half hour spent.

CHRISTMAS IS HERE

On Friday of this week comes the great Christmas Festival; that great season of joy and good cheer. Once a year, the hearts of young and old alike, are inspired by the great Christmas Festival, making it a time when people open their hearts to each other in good will.

Once more we repeat the oft expressed wish that the Christmas Season of 1964 will be the happiest our citizens have ever known. May we forget for a time life's stern realities that cause us so much concern and gather around the Christmas tree and the festive board to express good wishes to our fellow men and try to enter into the true spirit of Christmas — a spirit that knows nothing of selfishness and unkind words and acts, but much of tolerance, love and patience.

RESOLVE TO DO YOUR PART

Christmas will be merrier and the New Year happier if every motorist resolves to do his or her part in preventing traffic accidents. Ontario streets and highways can be made safe, but the police cannot do the job alone. It requires co-operation of every driver, particularly at this season of the year when ice and snow increase driving hazards, and eternal vigilance is the prize of safety.

The good driver's responsibility involves more than being in the right himself. It also includes looking out for the careless and less experienced drivers and doing his best to protect them from the consequences of their lack of care. It includes respect for the folly, as well as the rights, of children and other pedestrians. It includes obedience to the spirit as well as the letter of traffic regulations. If Ontario motorists resolve to do all in their power to avoid accidents, this Christmas season will be unmarred by the toll of deaths and injuries that have occurred in past years.

Merry Christmas

At this joyous time, when hope and good spirits are high, we express appreciation for your continued loyalty, and wish you the best of everything for Christmas as always. Thank you.

Christmas Meeting
At The Home of
Mrs. J. Svoboda

Mrs. J. Svoboda was hostess to the members of Unit 1, U.C.W., for the December meeting which featured a candle-lighting devotional service.

The Unit leader gave the call to worship and directed members thoughts to the spiritual side of the season by reading the poem, "Put Christ Into Christmas". She then acted as narrator for the candle lighting ceremony, assisted by Mrs. M. Preston, representing the Spirit of Revelation, and Mrs. A. Wells, as the spirit of Response. The purpose of this service was to discover the meaning of Christmas in our personal lives. Each member re-dedicated herself as she lighted her own small candle from the main candle which represented the Light of the World.

The service was interspersed with seasonal carols and concluded with a Christmas prayer.

Necessary business was dealt with and a short programme followed.

A reading, "Could You Spare Five Minutes of Christmas", brought to mind the need of sacrifice and not self-centredness. If Christmas is to be what it was meant to be.

A closing inspirational thought in poem form was read and the meeting closed with prayer.

A Christmastime contest preceded

a tasty lunch and social period. Mrs. P. Lyons thanked the hostess and all who had assisted in any way to make such a pleasant evening possible.

A MERRY CHRISTMAS

JOHNSON'S

BAKERY and GROCERY

There is much more than readily catches the eye in a single flake of commonly-called "cotton snow," which contributes to the traditional magic of a "White Christmas," according to D. K. A. Gillies, Ontario Hydro's meteorologist. It may contain ten, thirty or even thousands of ice crystals of hexagonal symmetry and no two crystals have ever been found to be just alike. The upper left and lower right insets feature greatly magnified impressions of two of the innumerable form variations of these crystals. The Christmas setting against which they are shown is one that brought many tributes from passers-by who saw the decorations outside one of the Commission's office buildings in Toronto over the last Yuletide season. Juniors Win Pair And Lose One

During the past week the local Junior D's came up with two decisive victories and dropped one to Wellington.

On Thursday night they outskated and outplayed a determined Tweed team by a 5 to 1 score. On Friday night they dropped a 16-5 decision to Wellington. Stirling dressed only seven players plus a goal-tender for this game, two of which were playing with the flu. On Sunday afternoon they edged Bancroft 3 to 5 in the northern community.

Stirling's marksmen in the Tweed game were Ken Smith, Larry Rogers, Dave Milne, Pete Bosiak and Dennis Ray.

Friday night Jack Donnan potted three while Bosiak hit the twine twice. John Noble got a single. On Sunday afternoon Donnan continued his hat trick, netting three more. Dave Milne potted two with singles going to P. Bosiak, K. Smith and Doug Potts.

At present Pete Bosiak leads the Stirling scoring race with seven goals. Donnan and Milne follow with six. John Noble, Doug Potts, Ken Smith and Robert Vandervoort have two each. Rogers, Bolte and Ray have netted one apiece.

OF MANY THINGS

(By Ambrose Hills)

Once upon a time organized business put up a good fight against excessive taxes. The Canadian Chamber of Commerce and the Canadian Manufacturing Association made strong representations on behalf of all taxpayers, large or small.

They did not carry enough weight. Farm groups and consumers groups did not support them. Neither did the individual Canadian — those of us who are not organized. We did not write to our Members of Parliament. Indeed, many of us did the opposite. We encouraged the various governments to spend. We kept asking for more services.

I notice that the business community is now fighting its own battle. I believe they feel that if the little guy is not interested enough or smart enough to press for tax reductions, why do the fighting for him. Instead, business can tend to its own knitting and ask for Corporate reductions and a wider tax base. If the little people insist on all these services, might as well let them pay for it. At least let them know they are paying by making the taxes direct.

I think it is time we unorganized people did some grousing. Each of us ought to tell the politicians to cut

out the heavy spending. It is a time for consolidation of the gains made. The cost of living will keep on going up unless we do. Unless we are prepared for that, the little man should yell as loud as he can.

Meditations At The Manger

I knelt today at the manger rude,
Where the Babe of Bethlehem lay;
In wonder I gazed at the Son of God,
Asleep on a bed of hay.

I saw His hands, so tiny and pink,
Clasped 'round a straw from His bed;
And I thought of the crowds He so graciously filled
With a boy's small loaf of bread.

I saw His hands as He healed the sick,
And the blind He made to see;
Then I saw them pierced for all my sin,
When He died on Calvary.

I gazed at His feet, so tender and warm,
As He lay on His Mother's knee;
And I thought of the weary path He trod,
On the shores of Galilee.

Then, I thought of a hill, a lone grey hill,
Where His feet were nailed to a tree;
For there on the cross, at terrible cost,
He died for a sinner like me.

I heard His voice, so sweet and low,
As He cooed on His Mother's breast —
And I thought of His words to the weary and worn,
"Come to Me, and I'll give you rest."

Mount Pleasant

We wish to extend Christmas Greetings to Editor, Staff, Correspondents and Readers. May the Peace and Joy of Christmas be with you today and always.

Mr. and Mrs. Frank Emerson, of Moira, were dinner guests on Thursday with Mr. and Mrs. Sid Williams. Miss Carol Sharpe spent the week end with Miss Margaret Hommersen, Etobicoke.

Mr. and Mrs. Frank Hutchinson entertained to dinner Friday evening. Mrs. Jack Echert, New York City, Mr. and Mrs. Kenneth McMullen and daughter, Ruth, Halloway, Miss Beale McMullen, Belleville.

Evergreens, poinsettias and memorial flowers adorned Mount Pleasant Rawdon United Church for the Christmas service, Sunday morning. The Senior Choir rendered an anthem with Mrs. Marguerite McMullen tak-

ing the solo part. Misses Sally and Judith McAdam contributed a vocal duet. Christmas carols were sung and Rev. W. G. Fletcher gave the message.

Mr. and Mrs. Gilbert Leadbeater, of Toronto, spent Monday with their cousins, Mr. and Mrs. Thomas Saries. Rawdon Y.P.U.

Rawdon Young Peoples Union held their Christmas meeting in Mount Pleasant Church Hall on Thursday evening. They entertained St. Paul's Y.P.U. and there were fifty-four in attendance. The president, Barbara Williams presided and various carols were sung throughout the program. Bill Potter and Susan West were in charge of the Devotional. Mary Dracup gave her report. Larry Jeffs and Kenneth McConnell gathered the offering. Lois Morton and Mary Dracup contributed a vocal duet and Sharon Matthews gave a piano selection. The recreation was in charge of Charles Nix and Kenneth McConnell.

Following a sing-song, Santa Claus arrived and distributed candy to the group, after which Rawdon Y.P.U. members served refreshments.

The Friendship Circle closed the Y.P.U. organization. Beginning in January, it will be known as Rawdon Hi-C's with the new president, Lyle Couch, in charge.

53 Years As Correspondent

This week closes our fifty-third year as Mount Pleasant correspondent. We began our duties January, 1912 while a student at the Williams Public School. When the Stirling News-Argus was first published, our great-grandfather, Philo White, contributed "Hubble Hill News". Later it was renamed Mount Pleasant and his daughter, Mrs. Allan Wescott took over the duties. Her granddaughter has continued the corresponding throughout the years. When we arrive at retirement age, this job will be open for someone other than a relative to carry on the correspondence.

Christmas Concert At S.S. No. 7, Rawdon

The Fourth Line or S.S. No. 7, Rawdon School held its Christmas Concert on Friday evening. The Rev. Mr. Fletcher, in his usual kindly manner, proved an efficient chairman.

The musical programme, conducted by Mrs. Doug. Faures, consisted of carol singing, opened by Donald Masterson, with solos by Carolyn Richardson and Marie Lake. Other numbers included a song by the junior girls; duets by Keith Richardson and Doug las Murray, and by Glen Mastin and Isaac Whitney.

An action play, with Darlene Masterson, lector, and Harold and Susan Morrison, Carol McGee, Christine and Elaine Morgan, as animals, delighted the audience.

One of the newly-elected trustees for Rawdon School Area, Mr. George Sutherland, spoke of the probable future of rural schools. He also read the final financial report of Rawdon, S.S. No. 7, prepared by Mr. Everett Lake.

Mrs. Murray gave a most interesting account of the history of the Section, showing its link with the history of Canada, the early settlers, the three schools and the happy memories of former pupils. She traced the progress made through the years and asked that the new township school area board should not in its future planning forget its origins.

In closing, she gave an example of the affection in which former pupils hold their rural schools. After her son, David, home from Royal Roads at Victoria, B.C. to deliver the valedictory address at Stirling High School, had revisited S.S. No. 7, she asked him if it appeared small and insignificant. His answer expressed a universal truth, "No, it doesn't. It holds too many memories."

At the close of the program, Santa appeared to distribute candy and presents.

S.S. No. 6, Rawdon School Celebrates Centenary

On December 18th, the School House of S.S. No. 6, Rawdon, was opened and gaily decorated for the Christmas Season in order to celebrate Christmas and the one hundredth years of its teachings. Many ex-students and teachers were present to enjoy a lovely programme of Christmas music, recitations and dialogues, very ably presented by the present-day students, with their teacher, Mrs. Jack Dunham. To everyone, this is known as the Christmas concert and brought back fond memories of Christmas concerts gone by.

After Santa paid his annual visit to the school, the guests were invited to view several mementos, such as pictures and old school records which included the secretary-treasurer's book of 1964. There was also on hand, the secretaries' book of the days before the school was built, all of which was most interesting.

Laughter could be heard as ex-students viewed themselves in pictures taken during their school days. Among the guests were two "old-timers", namely Joyce and Linda Sine, very fittingly dressed in high stiff collar, long skirt and blouse, a hat decorated with plumes, the style worn a hundred years ago. A few ex-students spoke recalling teachers and days gone by spent in the school. While everyone chatted, the ladies of the school board served lunch and coffee.

Mrs. V. Graham Hostess To Wellman's W.I.

The Christmas meeting of the Wellman's W.I. was held at the home of Mrs. V. Graham, on December 16th, with fourteen members, two visitors and seven children in attendance. The President opened the meeting with the Institute Ode followed by all repeating the Lord's Prayer.

The roll call, "A Christmas Quotation", was well-answered. Mrs. Carl Clancy paid to the Birthday Box and "Happy Birthday" was sung. The Pennies for Friendship was passed. For Current Events each one gave an item of interest. The motto, "Seek you joy in what you give and not in what you get" was well-prepared and given by Mrs. Doug. Clancy.

The program, prepared by Mrs. Byrona Seeley, opened with the singing of carols, with Mrs. Gerald Clancy at the piano. She also favoured with a piano solo, "Don't Wait Till The Night Before Christmas To Be Good". Mrs. John Carlisle read a Christmas story, "The Midnight Clear". A vocal solo, "The Story That Never Grows Old", was given by Mrs. Jim Pollock. Mrs. Ken Tompkins conducted charades on Christmas themes.

The president thanked the hostess and those taking part in the meeting. She closed the meeting with the Institute Creed, followed by singing of the Queen.

While lunch was being prepared by the hostess and her assistants, the president conducted the exchange of gifts. A social half hour was enjoyed by all.

Eggleton School Christmas Concert

On Thursday night, December 17th, the pupils of Eggleton School, S.S. No. 24, Sidney, presented their annual Christmas Concert in the Eggleton Church.

There was a capacity crowd of parents and interested friends in attendance.

Mr. William McMullen was master of ceremonies. The programme opened with singing, "God Save the Queen" and welcome to all by Peter Craft, followed by a chorus by all the school.

Carol Danford, Terry Kovach, Carol Stapley and Brian Kovach rendered a lovely quartette number. Ten pupils, Sandra Stapley, Judy Johnson, Lin Stapley, Brian Kovach, Terry Clarke, Keith McMullen, Terry Kovach, Billie Stapley, Billie Clarke and Eddie Stapley took part in "This Canada of Ours" with each pupil holding a map of the province represented. A humorous dialogue was given by Judy Johnson and Billy Clarke.

At this time, Mrs. Godden, the teacher, spoke briefly, thanking all who had assisted her in any way, with a special thanks to Mrs. Bruce Stapley, who was pianist for all the songs and choruses.

Mrs. Godden then presented prizes to Carol Stapley, girl with highest marks; to Lin Stapley, boy with highest marks; also proficiency awards for spelling in their various grades were presented to Keith McMullen, Carol Danford and Eddie Stapley.

A play, "The Census Taker", was well-presented, followed by a recitation by Billy Clarke.

Seven little Juniors, Wayne Kovach, Barbara Clarke, Linda Stapley, Kenneth Kovach, Heather Craft, Larry Akey, and Peter Craft, sang two numbers.

A humorous dialogue, "Buying a Hat" was given by Keith McMullen and Lin Stapley. Barbara Clarke gave a recitation.

A play, "Uncle Hiram's Cold", was presented by seven Senior pupils and a little skit was given by Linda Stapley, Heather Craft and Kenneth Kovach. The quartette sang another lovely number. Ten pupils took part in the play, "Little Angels".

Two splendid recitations were given by Billy Stapley, "Before Christmas" and by Terry Kovach, "Waiting for December 26th".

In keeping with the season, "The Spirit of Christmas" was presented by seven pupils, who after singing, joined with the pupils in the Nativity Scene and all sang several favourite carols.

Douglas Danford, Terry Kovach, Lin Stapley and Peter Craft took part in the amusing play, "The Operation".

The chairman voiced appreciation to Mrs. Godden for the wonderful program presented by the pupils and also added a few words of welcome to all who had attended. Two choruses were sung by all the pupils.

At this time, Jolly Old Santa arrived in his traditional lovely red suit. With helpers, Santa soon distributed the prettily wrapped parcels around the beautifully lighted Christmas tree. He also gave a bag of candy and treats to each child present.

To discover a man's faults, praise him to his friends.

May there come to you this Holiday Time

Spring Brook Local 171

The December meeting of Local 171 O.F. Union was held at the home of Mr. and Mrs. Bob Cosbey. The meeting opened with the singing of the Queen and minutes of the last meeting were read and adopted.

It was moved by Jeanne Williams and seconded by Jack Spencer that the first constitutional amendment be accepted by the members. It was moved by Ella Mumby and seconded by George Williams that the second amendment of the letter from Guelph dated November 20th, be accepted.

Moved by Shirley Reid and seconded by Delbert Mumby that the by-law be made as it is stated in the letter of O.F. Union. A letter from Rod Webb was read by the President, Bob Cosbey.

Jeanne Williams gave a very inter-

Christmas to a business man is often like harvest to a farmer. The main difference is that the farmer doesn't usually take all the credit.

Even if he isn't a religious man, he knows that he was largely dependent on the weather for his good crop.

Sometimes a business man is selfish with his Christmas and he hides behind tinsel and foil and the beard of Santa.

Christmas needn't and shouldn't be like this, because Christmas is Love and Kindness and Generosity.

We do not want to be selfish, so we at

esting talk on the "Outlook Conference" that was held in Ottawa. New business was then discussed, one topic being the march on Ottawa.

Brian Cosbey gave a musical selection.

Next meeting is to be held at the home of Mr. and Mrs. Percy Mumby on January 14th.

Jeanne Williams moved that the meeting adjourn. The ladies served lunch and a social time spent.

Wins Trip To Mexico

Christmas will be around a little longer this year for Mr. and Mrs. Reg. McKeown, of Spring Brook. They are packing for a fiesta trip to Mexico City the middle of January. Mr. McKeown, owner, McKeown Motor Sales, the local Massey-Ferguson dealer, paid his way to Mexico by his sales performance during the past year.

As part of one of the most complicated industrial air charters ever carried out, they will be airlifted into Mexico in company with 300 other dealers from more than 40 take-off points in Canada and the United States. Each group will stay in Mexico four days and then return to their hometowns in aircraft that a few hours before delivered another 300 to attend the product demonstration.

More than 5000 leading Massey-Ferguson dealers and sales personnel from all over North America will visit Mexico City during January and February to view a complete new line of agricultural tractors the company will introduce early in 1965.

They will visit Teotihuacan, near Mexico City, the site of one of the major early cultures. There, they will see a pageant on the Indian culture performed exclusively for them for the first time on the ruins of a once-great civilization by the famed Teatro Classico de Mexico. The tractor demonstrations will be held on the

grounds of Mexico's National Agricultural College at Chapingo, some 40 miles from Mexico City.

The new Massey-Ferguson tractors have been tested under field conditions throughout the world to ensure that they meet the needs of any farmer in any climate on any terrain. The new tractors are expected to extend Massey-Ferguson's worldwide tractor leadership and to increase the company's percentage of the North American market. Today, more than 1,900,000 Massey-Ferguson tractors are in use throughout the world—more than 200,000 in excess of MF's nearest competitor.

The new tractor line is another product of Massey-Ferguson's integrated worldwide research and development program, as was the new line of combines launched in 1963-64. The new tractors are a further demonstration of Massey-Ferguson's commitment to new product development which will always anticipate farmers' needs.

In addition to the new line of agricultural tractors, Massey-Ferguson will reveal new models of hay balers, plows, harrows, cultivators and other tractor-powered implements, as well as new industrial and construction equipment.

Carmel UCW

The Christmas meeting of the Carmel U.C.W. was held at the home of Mrs. Arthur Pyear on Thursday afternoon, December 10th, with an attendance of twenty members and visitors. Mrs. Clayton Stapley, vice-president, opened with a poem and a carol. After the devotional, Mrs. Jack Armstrong read a story of Christmas Day in Trinidad and Mrs. Stapley conducted a question period on the third chapter of the Study Book, "God and His Purpose". Mrs. Arthur Pyear gave the history of Glen Ross, Mrs. Archie Bailey, programme convenor, and Mrs. Arthur Couch conducted two interesting contests. Mrs. Joe Grills gave a reading and Mrs. Harry Brown played carols on the piano accordion. The election of officers was conducted by Mrs. Joe Grills and results were as follows: Past President, Mrs. Harold Johnston; President, Mrs. Clayton Stapley; Vice-Presidents, Mrs. Douglas Pyear, Mrs. Ray Hagerman and Mrs. John Grills; Secretary, Mrs. Gerald Fraser, with Mrs. Jack Armstrong, assistant; Treasurer, Mrs. Vernon Harry.

The hostess served lunch and appreciation was expressed by Mrs. Stapley.

Mount Pleasant U.C. Women

Christmas wreaths, poinsettias and a special worship centre welcomed the United Church Women to the Christmas meeting, on Wednesday evening, December 9th in the church hall. Twenty-seven members and five visitors were in attendance.

The programme convenors were Mrs. Will Jeffs and Mrs. William McAdam. They conducted the devotional from the booklet "The March of Days". Several Bible passages were used by the ladies and Christmas hymns were sung, with Mrs. Garth Joslin as pianist. The Misses Sally and Judith McAdam rendered a vocal duet. Mrs. Herbert Smith read a selection on Mrs. W. G. Fletcher dedicated the offering.

Mrs. Donald Knight, president, welcomed the group. Mrs. Robert H. Hoard gave her report. Mrs. Wm. McAdam reported the proceeds of the Rebekah banquet as \$99.00.

Mrs. H. Smith displayed the U.C.W. calendar. Mrs. Kenneth Weaver spoke on Literature and programmes. Donations were made to three funds, "Over and Above", M. and M., and the Manse. Several suggestions were made for the Christmas season.

At the close of the meeting the ladies exchanged small gifts and boxes of cookies. A Christmas luncheon was served by Mrs. Carelton Potts and Mrs. Clarence Scott.

Merry Christmas and Happy New Year

As the chimes ring out the last minutes of the old year, may we say "thank you" for the privilege of serving you through 1964 and to wish you all Health, Happiness and Good Fortune in the New Year.

Mrs. James Milne was hostess to Rylstone Women's Institute, recently, at the Sunday School Room of Zion United Church, Petherick's Corners, when they held their Christmas meeting.

The president, Mrs. Lindsay Anderson, was in charge of the meeting, which opened in the usual manner with the Institute Ode and Creed.

The roll call was in the form of a Christmas Gift exchange. "Happy Birthday" was sung to Mrs. Charles Stewart, who celebrated her natal date recently. A letter of Seasonal greetings was received and read from Mrs. Ed. Holmes, Queenaboro, President of North Hastings District Women's Institute.

A new secretary, Mrs. Jack Watson and treasurer, Mrs. Stanley Kerr, were chosen to fill the combined office left vacant by the resignation of Mrs. Ernest Irwin, secretary-treasurer. The motto, "Women of the Bible" was given by Mrs. Ernest Irwin. Barbara Milne read "Ma's Tools". There was a display of Christmas table centres made by the members. Mrs. Anderson, president, introduced Mrs. Don Pollock, a former resident of Petherick's Corners, who was guest speaker. Mrs. Pollock's subject was "Knitting", of which she gave a brief history. She said the origin of knitting dated back to eight hundred years before the birth of Christ.

Socks were knitted five hundred years after Christ's birth. So knitting is far from being new or modern, though the method of knitting and the type and texture of the knitting materials has changed and improved immensely during the years. Mrs. Pollock gave a demonstration of knitting with an automatic knitting machine and displayed several articles she had made, several of which she sold to the Institute members. As a token of thanks from the Institute, Mrs. Pollock was presented with a driftwood centrepiece from the display, made by Mrs. E. Irwin.

The next meeting will be held at the home of the president, Mrs. E. Lindsay Anderson, on the Eighth Line at Seymour. The guest speaker is expected to be a member of the Ontario Provincial Police, who will speak on "Highway Safety". The roll call will also carry out the Safety theme, "A Driving Courtesy". There will be a demonstration on making flowers from plastic foam, etc.

Why I Believe In The Virgin Birth

By Rev. Robert Donnan

"The Lord himself shall give you a sign; Behold, a virgin shall conceive, and bear a son, and shall call His name Immanuel". Isaiah 7:14.

The Hebrew word for sign is "OTH" which means a miracle. At this Christmas Season, we are commemorating a miracle, the birth of the Son of God.

The Virgin Birth is more than a matter of a virgin supernaturally conceiving and then giving birth to a child. I am not so concerned about a baby coming into the world in a supernatural way, though that has never happened apart from Christ; what I am concerned with is the fact that God, pre-existent in the second person of the Trinity, came into the world by taking upon Himself human form, by being born of the Virgin named Mary, thus becoming qualified to be the Saviour and Redeemer of mankind.

If Christ was not Virgin-born, but born of Joseph and Mary, then He cannot be our Saviour, because He was born in sin as any other person is born and couldn't atone for His

own sins, leave alone the sins of others. The Bible clearly teaches that Joseph was not our Lord's father; that our Lord was conceived of the Holy Ghost and was born of the Virgin and that it was absolutely essential that this be so.

The Bible teaches that Mary was with child of the Holy Ghost and not of man, and therefore the child Christ Jesus was not identified with the seed of fallen sinful man. This makes Him without sin, the spotless, sinless Jesus who came to save us from our sins. My dear friends, it can be no other way than this, or we have no Saviour to save us from our sins.

Yes, "In the beginning was the Word, and the Word was with God, and the Word was God." He was with the Father before the stars twinkled in the heavens, before the streams laced the hills, before the flowers filled the air with fragrance. Before the world was, He was. With Him nothing was made that was made.

The Virgin Birth is a tower of impregnable strength. It re-echoes the angelic song with hearts filled with indescribable gladness that through the miraculous intervention of God, a Saviour is born who is Christ the Lord, the Saviour of men. The incarnate Saviour comes to seek and to save that which is lost. I pray the Divine Holy Spirit will make the precious truth of the Virgin Birth of Christ real and meaningful to your hearts this Christmas Season.

St. Thomas Christmas Party

The Christmas meeting of St. Thomas W.A. was held at the home of Mrs. Ed. Colden recently with a splendid attendance of members and visitors.

The meeting was opened with a carol, followed with prayers by the president, Mrs. Preston. Mrs. Stanley Keller read the Scripture lesson. Mrs. Colden read minutes of the last meeting and roll call was answered with a favourite Christmas verse. Mrs. Preston extended a welcome to all and thanked the hostess. Cards were signed by members for shut-ins and Mrs. L. Tanner was asked to purchase gifts for them. A donation was sent to the Gideons and Prayer Partner. Miss Edna Tanner, on behalf of the family, thanked everyone for expressions of sympathy during their bereavement, and Mrs. Preston thanked all for remembrances while in hospital. A Christmas carol was sung and the program followed with each member contributing an appropriate reading pertaining to the Blessed Christmas Day. Rev. Stew. are closed the meeting with prayer.

THE BIBLE TODAY

The word "Christmas" falls on the ear like the music of many bells. Christmas is the season of wonderment. There is something subtle in the air of Christmas-tide that warms hearts and makes tired mouths smile. But Christmas without Christ is short of its significance.

Millions of boys and girls, men and women, in the world today have never known the warmth of Christmas, not the Christ whose birth it commemorates.

The story of Jesus — His birth, His life, His death and resurrection — is recounted in the Gospels. This story has been translated into more than 1,000 languages and dialects. It has been distributed to millions of people. Yet there are millions who have never read of Him or been introduced to Him as yet.

Let us remember the Christ who gave us Christmas and the millions who know neither this joyous season nor the One whose birth it commemorates.

Suggested Daily Bible Readings:

Sunday — Luke 2: 39-52
Monday — Matthew 5: 1-16
Tuesday — Matthew 6: 1-15
Wednesday — Matthew 7: 1-29
Thursday — Ephesians 5: 10-20
